Update on performance optimization working group

- **Roland Haas** (presenter), Erik Schnetter, Zach Etienne, Ian Hinder, Helvi Vitek, Eric West

Current status

- new members:
  - Ian Hinder
  - Helvi Vitek
  - Eric West
- not much progress since last report. Eric is interested in getting started with benchmarking during the summer

Milestones

Almost late:

- pull request for Carpet/rhaas/openmp-task

- decide which changes from Carpet/eschnett/funhpc to pull to master, due 2018-04

Late:

- decide on deadline to import changes to ET master
